Match Funding Form

Companies support voluntary organizations in a variety of ways and there is a wealth of ways national and local firms can lend valuable support to your charity challenge. These include staff expertise, donating redundant computers or providing goods to be used in raffles however, one of the most important and effective ways that your company can help, is through the process of match funding. Match Funding is one of the central components of most national and local companies Corporate and Social Responsibility package. Your company may have the ability to match, pound for pound, whatever their employees raise through fundraising endeavors.

Simply fill out this form and give to your Line Manager or HR department to find out if they operate a match giving scheme.
