Oxford fundraising bulletin

Welcome..

It's hard to believe that it's already August. Here's what's happening in the Maggie's Oxford community this month. Please get involved; you can really make a difference.

Classic Cars..

Last year's Cowley Classic Car Show, organised by Oxford Isis Rotary Club, raised £1500 for Maggie's. This year's show on 15th August, promises to be just as interesting when over 150 cars were on display. Whilst the event showcases cars built in total or in part in Oxfordshire, it is open to all interesting vehicles. Last year these ranged from a Ford Model T to more than one Rolls Royce. Details of the attractions and programme for the day will be announced shortly, but now is the time for anybody wishing to take part on the day. For information on entries, stalls, club stands and display opportunities, contact Malcolm Fearn, the show organiser at 01865 862776 or at malcolmfearn@mac.com.

2010 Night Hike..

Take on your biggest challenge for people facing theirs.

Join us for the sixth Maggie's Open House London Night Hike! Our annual 20 mile walk through late night London gives hikers exclusive access to some of London's most iconic buildings while raising vital funds for our network of Maggie's Centres across the UK.

Following the success of our 20 mile event we wanted to give everyone the chance to be part of London's most original Friday night so we have introduced our first ever 10 mile hike taking place on the same night.

Last year hikers raised a staggering £689,000 for people affected by cancer. Please help us beat that by spreading the word and encouraging your friends, family and colleagues to join you on your adventure. We are also thrilled to announce that we are introducing the first ever Glasgow Night Hike! Friday 17 September 2010. Online registration now open! Visit www.maggiescentres.org and click on Events and Giving, or contact me on **01865 225710** or **sandy.briscoe@maggiescentres.org** for more information.
