## How many visits did we see in 2018?

In total, our centres received over 281,000 visits from people with cancer and their family, an increase of 13% from 2017.

## How much fundraised income did we achieve in 2018\*?

We raised a total of £22.2 million in 2018, £4.9m million in capital and £17.3 million in revenue income.

\*audited figures for 2018 available mid 2019

The revenue income has enabled us to continue the running of all of our centres:

It costs around **£2,400** to keep a Maggie's centre open for a day

It costs around **£12,000** to keep a Maggie's centre open for a week

It costs around **£590,000** to keep a Maggie's centre open for a year
